Experience

2024 – Present

Sugbo Scholars Society

Scholar Officer

- Acted as a liaison between the scholarship office and fellow scholars, ensuring timely updates on requirements, deadlines, and announcements.
- Assisted in organizing orientations, renewal processes, and benefit distributions for new and continuing scholars.
- Helped streamline documentation procedures by guiding students through proper submission formats and policies.
- Collaborated with university offices to verify student statuses and maintain compliance with scholarship guidelines.

Commissionaire

2024 – Present

Heavy Equipment Rental

- Facilitated rental transactions and ensured proper documentation for high-value equipment rentals.
- Acted as the point of contact between clients and equipment logistics teams.
- Monitored equipment status and coordinated with field staff to ensure timely returns and maintenance scheduling.

Education

2024 – Present

Cebu Institute of Technology – University

Bachelor of Science in Information Technology

I'm a dedicated IT student currently working towards my Bachelor of Science in Information Technology. I'm always excited to apply what I've learned in real-world settings. With a passion for technology and problem-solving, I'm looking for opportunities to gain hands-on experience and continue growing my skills in the field.

STEM Student

2022 – 2024

Cebu Institute of Technology – University

I recently graduated with a Bachelor of Science in Information Technology, with a strong foundation in physics, calculus, and biology. Throughout my studies, I also had the opportunity to showcase my research skills, winning in a research congress. I'm eager to apply my technical knowledge and continue growing professionally in the IT field.

Hobbies

- Volleyball
- Music (playing instruments, listening, composing)
- Drawing/Illustration
